**STALLION SERVICE CONTRACT FOR DAUPHIN FROZEN SEMEN**

This contract made this \_\_\_\_\_ day of \_\_\_\_\_, 2004, by and between Marefield Meadows and

NAME: \_\_\_\_\_ PHONE: \_\_\_\_\_

ADDRESS: \_\_\_\_\_

E-MAIL: \_\_\_\_\_

1. Marefield Meadows agrees to provide Buyer with \_\_\_ doses of frozen semen from Dauphin in exchange for a fee of \$ \_\_\_\_\_ per insemination dose, payable to Marefield Meadows.
2. Buyer agrees to pay a **separate check for a total of \$300 to Apex Equine** (which covers a semen handling fee and shipping costs—including insurance. \*)
3. All fees are payable upon execution of this contract. Buyer specifically agrees and understands that **no semen will be shipped until all fees have been paid.**
4. Buyer agrees that the container will be returned within **FOUR** days of its arrival. Failure to do so will result in an **additional charge of \$50 per day.**
5. Marefield Meadows and Apex Equine assume responsibility **only to deliver semen in viable condition** at the time of delivery. The semen must be administered by a licensed Veterinarian familiar with the concept and practical use of frozen equine semen. Attempts to use frozen equine semen outside the controlled situation of a qualified facility can greatly reduce, or even prevent, chances of conception. Marefield Meadows and Apex Equine will provide detailed thawing and usage instructions for the attending Veterinarian.
6. Insemination certificates will be provided to the attending Veterinarian.
7. Dauphin semen is sold by the dose with **no live foal guarantee.** Any semen remaining after a pregnancy has been achieved can be used on another mare this season or for future breedings.

8. Breeding certificates will be issued to each mare upon Marefield Meadows' receipt of all properly completed and signed paperwork from the attending Veterinarian. \*\*

9. Buyer agrees to hold harmless Marefield Meadows and Apex Equine for any injury or illness to mares associated in any way with the insemination of frozen semen provided by Marefield Meadows and Apex Equine. Buyer specifically understands that Marefield Meadows and Apex Equine make no guarantees or warranty as to the fertilizing capacity of the semen provided under the terms of this contract, either expressed or implied. Any known conception rates will be relayed to Buyer, and are given in good faith.

10. Dauphin's frozen semen has been tested **negative for EVA and CEM.**

11. **Mare Owner is responsible** for ascertaining the mare's Registry's requirements for the use of Dauphin's frozen semen and subsequent registration of foals conceived thusly.

- \* Container is insured for the value of \$2,000 which covers \$1,000 for tank and \$1,000 to cover contents. If Buyer wishes higher insurance on the semen, an additional charge of \$5 for every \$500 of insurance over the initial amount will be billed. Insurance covers damage to or loss of the container during shipping only. **Should Buyer damage or lose container, the full cost of replacement will be charged.**
- \*\***No breeding certificate will be issued** until any additionally incurred costs (see above) are paid.

I AGREE TO ABIDE BY THE TERMS AND STIPULATIONS OF THIS CONTRACT
